DOE SCHOLARS PROGRAM

Explore the possibilties

Office of Intelligence and Counterintelligence

The DOE Scholars Program introduces students or recent college graduates to DOE's mission and operations. As a participant in the DOE Scholars Program, you will have a competitive edge for familiarizing yourself with DOE functions while showcasing your education, talent, and skills.

Disciplines: Intelligence fields (counterintelligence, cyber, analysis); engineering; physical sciences; environmental sciences; computer science and information technology; physics; business; policy; program management; mathematics; statistics; safety and health; accounting and finance; law; communications; and other related areas.

Eligibility: U.S. Citizens Only. Undergraduate or graduate student of an accredited institute of higher education. Must be capable of qualifying for a **TOP SECRET** Security Clearance.

Location: Office of Intelligence and Counterintelligence in Washington, D.C.

Duration: DOE Scholars internships are typically during the summer months and are approximately 10 weeks in length. Limited extensions may be granted based on the needs of the facility and the intern's availability.

Deadline: Applications accepted October 3, 2016 through 11:59 p.m. EST, December 15, 2016.

Benefits: Stipends are a minimum of $600 per week based on academic level. Travel to and from the appointment will be reimbursed up to $1,000 according to travel regulations.

Important Information: On your application under "Do you have an interest in a particular area of DOE research, DOE Headquarters office, a DOE site office, or location?" please add **Office of Intelligence and Counterintelligence**.
