Safe Holiday Light Decorating

- Use only Underwriters' Laboratories (UL) or Factory Mutual (FM) labeled lights.
- Inspect new and old strings of lights for frayed or damaged cords. Discard damaged light strings.
- Unplug lights to change bulbs.
- Do not overload circuits.
- Use no more than three strings of lights per extension cord.
- String outdoor lights through hooks or insulated staples, not tacks or nails.
- Do not pull or tug light strings to hang or remove.
