# **Benchmarking - Facility Preparedness Programs: Nuclear and Nonnuclear Programs**

**May 14, 2012**

**David Stuhan, MS, CEM**

# Purpose

- This facilitated benchmarking experience will allow DOE/NNSA sites to share information related to facility preparedness programs for nuclear and nonnuclear facilities.
- Cross functional teams (e.g. planners, trainers, drill coordinators, etc.) can explore base programs as well as hazardous material programs and get a wider perspective of the varying programs and allow opportunities for each site to explore enhancements to their individual programs.

# Administrative

- This session will be at the **Official Use Only** level.
- Many of the documents and material shared will be designated as **Official Use Only** and should be handled as sensitive information that is not to be disclosed or **released to the public** without prior approval from the respective site(s).
- Please treat all materials and discussions accordingly and safeguard, handle, and store in accordance with appropriate security directives.

# Today's Agenda

- **Welcome/Introductions** 2:15 pm - 2:45 pm
- **Benchmarking Expo** 2:45 pm - 4:45 pm
  - Expo of documents, materials, etc. that will be hosted by site representatives (emergency planners, trainees, etc.) to discuss various aspects of their facility preparedness programs.
- **Hotwash/Critique** 4:45 pm - 5:00 pm

# Hotwash/Critique

- **Please complete your feedback forms for this session**
- **Q1: *Was this Benchmarking experience valuable?***
- **Q2: *What did you like about this session?***
- **Q3: *How can this type of session be improved?***
