(Some Subcommittee members did not receive meeting announcement—apparently a problem with the Listserv)

Discussion Points:

Hazards Assessment Subcommittee Meeting.

This meeting will be conducted during the EMI SIG Meeting, on Monday, May 2, 8:00 a.m. to 12:00 noon.

The following were selected as Subcommittee Meeting Topics:

- Classification Document Guidance – (Dorothy will contact Dr. Powers.)
- New Version of EpiCode (Removed as a presentation – (Wayne will bring handout.)
- Automated Tool for Integrating Hazards Assessments, Emergency Action Levels, and Consequence Assessments— *Reed Hodgkin* (Chuck will contact Reed.)
- Chemical Screening – *Wayne Davis*
- NARAC Connectivity – DOE Notice Expiration—(Chuck will contact Ron Baskett)
- Role of HAs in Specifying Protective Actions – (Dorothy will contact Larry Campbell.)
- Working with LEPCs to Develop HAs -- (Dorothy will contact Larry Campbell.)

- Panel Discussion: Response to Graniteville, SC Train Wreck (Analytical Perspective) – *Larry Campbell, Ron Baskett, John Nastrom, Wayne Davis*— (Wayne will contact individuals and coordinate discussion)

Hazards Assessment Subcommittee Exhibit.

Chuck Rives has put together content for this display, which it is going through the classification review process at Pantex.

Round Robin

Savannah River Site: **Wayne Davis** – Writing new procedures on how to do HAs.

Pantex: **Chuck Rives** – Writing HA procedures

Next Meeting:

The Next conference call will be conducted on April 20 at 2:00 P.M., Eastern Standard Time. Call-in number: **301-903-6065**.
