

HCN Values Request for Review

HCN values are developed using a formalized HCN development procedure. If you have questions about the HCN values assigned for any chemical, complete this form and email it to PACDevelopment@listserv.orau.gov. A member of the CMM Development Team will review your request/questions, address your concerns, and contact you to resolve the issue. **Please submit a separate form for each chemical.**

Chemical	CASRN

State problem or question:

Data, with source, of which we may not be aware and you believe should be factored into our analysis:

Your name:

Affiliation:

Telephone Number(s):

E-mail address:

Date submitted:

Email your completed form as an attachment to: PACDevelopment@listserv.orau.gov.
