I. Roll Call

Carl Mazzola conducted a roll call, noting that 20 emergency management professionals involved in various aspects of the Subcommittee on Consequence Assessment and Protective Actions (SCAPA) program were present. The teleconference was called to order. Twenty-six emergency management professionals participated in the previous SCAPA teleconference.

II. Administrative Matters

Since the Emergency Management Issues Special Interest Group (EMI SIG) and SCAPA meetings were less than two weeks away, this teleconference was focused on the EMI SIG meeting schedule, the SCAPA meeting agenda, and EMI SIG meeting logistics.

2009 EMI SIG Meeting: Carl Mazzola reviewed the EMI SIG meeting elements that would be of interest to SCAPA and Hazard Assessment Subcommittee members. The following meetings and events have been scheduled and are unlikely to be significantly changed:

Date	Time	Meeting or Event
