NAME	POSITION	RESPONSIBILITIES/AUTHORITY
Dr. Jim Vosburg	ORISE Director	Responsible for overall performance of the entire ORISE program. Has full authority to hire, remove, and commit the resources of ORAU to ORISE.
Mr. Phil Andrews	Director, Business Operations	Responsible for all business operations—facilities, procurement, finance, communications and marketing—necessary to support the performance and reporting for ORISE. Responsible for negotiating subcontracts, processing SPPs, purchasing materials, and managing facilities. Has complete authority in all areas under his jurisdiction to hire, remove, and commit resources to ORISE.
Ms. Marcia Mask	ORISE Deputy Director, Contractor Assurance Activities	Responsible for all contractor assurance activities on ORISE and for reporting to ORAU’s Board of Directors. Responsible for timely reporting of any incidents to DOE’s contracting officer (CO) and for integrating contractor assurance activities across ORISE. Has full authority to stop work and to create corrective action plans before issues become significant.
Dr. Carol Iddins	Director, REAC/TS and Laboratory Operations	Responsible for overall performance of the unique capabilities represented by the ORISE laboratories, as well as for all of PWS C-3(c). Has full authority to hire, remove, and commit the resources of REAC/TS to ORISE.
Mr. Derek Hagemeyer	Director, Health, Environment, and Radiation Management (HERM)	Responsible for overall performance of sections C-3(c), (d), and (e) of the ORISE PWS. Has full authority to hire, remove, and commit the resources of HERM to ORISE.
Dr. Craig Layman	Director STEM Workforce Development (WD)	Responsible for overall performance of section C-3(a) of the ORISE PWS. Has full authority to hire, remove, and commit the resources of within STEM WD to ORISE.
Mr. Chester Maze	Director, Information Technology Services (ITS)	Responsible for all ITS activities provided to ORISE, including desktop support, system development, and network services. Has full authority to hire, remove, and commit the resources of ITS to ORISE.
Ms. Keri Cagle	Director, Scientific and Technical Resource Integration (STRI)	Responsible for overall performance of section C-3(b) of the ORISE PWS. Has full authority to hire, remove, and commit the resources within STRI to ORISE.
