

# GET INVOLVED IN THE PRESIDENTIAL AI CHALLENGE

## About the Challenge

The Presidential AI Challenge is a national challenge where K-12 youth, educators, mentors, and community teams come together to solve real-world problems in their communities using AI-powered solutions, with an opportunity to showcase their solutions at a national level. Students and educators of all backgrounds and expertise are encouraged to participate and ignite a new spirit of innovation as we celebrate 250 years of independence and look forward to the next 250 years.

## Why It Matters

- **Equip youth with foundational knowledge and skills** necessary to thrive in an increasingly digital society.
- **Empower educators to confidently guide students** through this complex and evolving field.
- **Connect students and educators with AI experts** from industry and government for guidance, coaching, inspiration, and collaboration.
- **Provide widespread access to resources, training, and support.**

## Who Can Participate

K-12 YOUTH

EDUCATORS

COMMUNITY  
LEADERS

PARENTS

MENTORS

## Ready

- **Contribute to a national movement** that positions your school or region at the forefront of the United States' leadership and innovation.
- **Help build and grow a strong pipeline of AI-ready talent** starting in K-12 classrooms.
- **Equip youth, educators, and mentors with the knowledge to demystify this technology** in school, work, and life.

## Set

- **Announce the challenge** to your community.
- **Encourage all K-12 youth, educators, and mentors** of all backgrounds to participate.

## Begin!

- **Scan the QR Code** to see how to participate in the Challenge.
- **Brainstorm a project idea or community problem to solve** that aligns with your interests.
- **Prepare to register individually or as part of a team** through the Challenge portal.

## TIMELINE
