PRESIDENTIAL AI CHALLENGE

ABOUT THE CHALLENGE

The **Presidential AI Challenge** is a national challenge where K-12 youth, educators, mentors, and community teams come together to solve real-world problems in their communities using AI-powered solutions — bringing to life a ***New Spirit of American Innovation***.

Whether you're looking to innovate with AI in the classroom or engage your classroom with future-ready skills, this is your opportunity to get involved in a fun, hands-on learning experience.

WHY IT MATTERS

- Sparks interest in STEM and real-world problem solving.
- Encourages collaboration, creativity, and critical thinking.
- Demystifies powerful technology.
- Equips students and teachers to thrive in an increasingly digital society.

GET INVOLVED

EDUCATORS

Integrate the challenge into your classroom as a fun, engaging project. Serve as a leader, mentor, or guide for a team of students as they brainstorm and refine their ideas.

PARENTS

Encourage your child to sign up. Early exposure to AI skills and hands-on learning opportunities opens doors to high-demand jobs of the future.
