

2018

Joint Science and Technology Institute (JSTI)

High School Students

July 21 – August 3, 2018, Aberdeen, MD

Fully-Funded, Expenses Paid

Deadline March 11, 2018, 11:59 PM Eastern Daylight Time

The **Joint Science and Technology Institute for Students** is a two-week, fully-funded, residential STEM research program for current high school students in the United States and Department of Defense schools around the world. Students will participate in research projects mentored by Department of Defense research scientists and other subject matter experts. The purpose of the program is to inspire and encourage students to pursue careers in science, technology, engineering and math (STEM) fields, increase STEM literacy, and expose students to the importance of STEM through hands-on, relevant research.
