

First Name and State:

# STELLAR LIVING WORKSHEET

---

Welcome to the world of imagination! Today, you will create your very own creature that can live on a special planet. Think about how your creature will survive. What special features will it have? Let's get started!

What is your planet's name?

---

What does your planet look like?

---

---

What is the weather like?

---

---

Write 2-3 sentences about what makes your planet special.

---

---

---

# STELLAR LIVING WORKSHEET

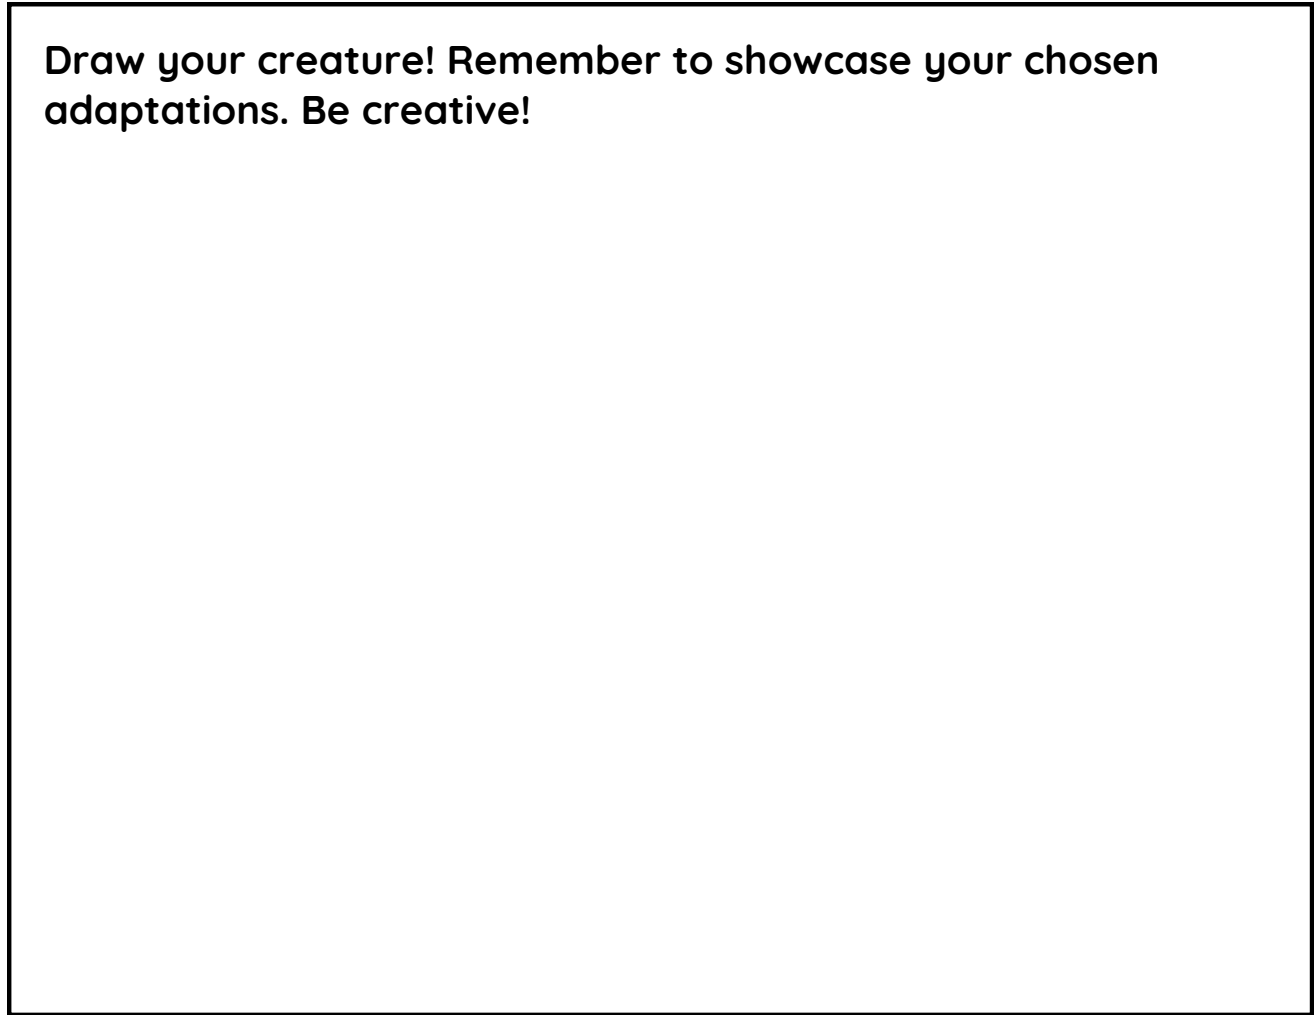

What are three special things (adaptations) your creature can do to help it live on your planet?

---

---

---

**Draw your creature! Remember to showcase your chosen adaptations. Be creative!**

Write 2 sentences about why your creature's adaptations match your chosen planet.
