

## **First Place, University Student Category**

### **Vacationing as a Crab**

Onward! To Portunidae! To Malacostaca! Wherever our hearts may lead!  
Pack suitcases with beach towels, swimsuits and sunscreen for all your vitellogenous needs!  
Buy tickets! Book trains! Don't forget to go through terminal-pubertal molt before TSA!  
Lastly, keep your androgenic gland in check or you might be responsible for a sponge!
